

EAGLES ISLAND COALITION
December 4, 2013
Eagles Island, North Carolina

Attendance list at end.

Welcome and Introductions

- Capt. Doug Springer welcomed the group to his boat, the Wilmington, and went over safety procedures.
- Niel Brooks, Coalition Chair, welcomed everyone to the tour and described the efforts over the past 3 years to get the water trail signage installed. Special thanks were given to Jim Kapetsky for his work laying out the trails and posting them online; Rob Moul of LMG for working through the permitting and use of boat to install markers; Capt. Charles (CR) Robbins for use of boat to install signs; Steve Spruill of Town of Leland for helping install signs; Dawn York and Cape Fear River Watch for obtaining Kodak Grant funding; and everyone else who helped with the project.
- Brooks described the different trails on the island as the group passed by the signs. Capt. Springer described the history and sites of Eagles Island.
- A cake was unveiled at the first marker.

The group then enjoyed a beautiful 72 degree December day on the water....

Adjourn

Being no further business, the boat docked and the meeting adjourned at 4 pm.
